

HEALTH AND SAFETY ENVIRONMENT QUALITY

28th february 2018

KIDE POLICY

KIDE S. COOP, in keeping with its MISSION and always taking into account the magnitude and impacts of its activities, products and services, **is committed to the following:**

Continuously improving the effectiveness and efficiency of the Integrated Management System, to **satisfy Customers, Staff and other Interested Parties** through:

- Product **quality** and service.
- **Protecting the environment, including Pollution Protection and Prevention.**
- **Improving the environmental impact of our products** (for both insulation and refrigeration).
- **Protecting** and improving the **Health and Safety** of all the members of the company through eliminating risks, improving working conditions and **promoting health.**
- Complying with the **legal**, regulatory and other **requirements** adhered to by the company.
- **Ensuring** that workers are **consulted with, trained and informed** and encouraging **participation.**

· **Integrating** Quality, the Environment and the Prevention of Occupational Risks at all company levels by assigning functions and any responsibilities that may arise.

· **Promoting personal development**, as well as adequate financial and material resources.

· **Communicating, documenting, implementing and keeping up-to date a Quality, Environmental and Occupational Risk Prevention Policy** that is known, understood, and developed at all levels of the company.

This Policy is the reference framework to establish, review and guarantee the fulfilment of the **Objectives and Goals of the System.**

Likewise, this Policy **will be available to all Interested Parties.**

This Policy has been developed following the **requirements established in the ISO 9001 and ISO 14001 Standards.**

It will be reviewed annually by the Board of Directors in the **Annual System Review.**
